Graduation Date: May 7

Major: Criminal Justice

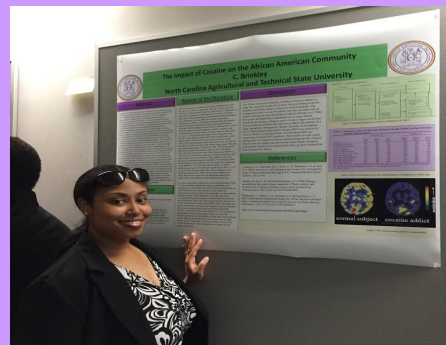

Honors: Made the Deans list for spring 2015 and Fall 2015

Organizations: Alpha Kappa Alpha Sorority, Incorporated

What makes me a power girl is my ability to lead by example because someone is always learning from my actions. Quitting is never an option if I had the option to quit I would not be graduating and I would not have made the Deans list two semesters in a row. Having 21 credit hours while being apart of an

organization and on the dance team was hard but being able to manage everything taught me that no matter what is hard in my life I will always succeed. This semester of my senior year I was close to making Dean's list I had three A's and three B's That one C was hard to keep but it was two points from a B so I am proud to have just that .

**Cynthia Brinkley**

Graduation Date: May 14, 2016

Degree: Bachelor of Arts in Psychology

Honors: Magna Cum Laude

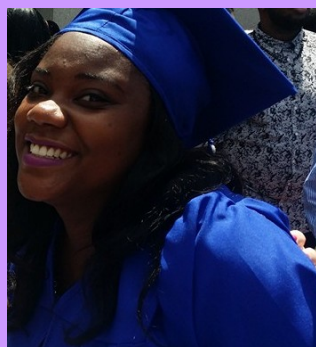

What's Next? Planning to attend medical school in Texas or Pennsylvania

Hometown: Sacramento, California

What makes me a Power Girl: Being able to hold down a full time job while being a full time student, as well as being involved in the community makes me a Power Girl!

Why I joined EGNC: I loved the idea of having a place for young girls to come and learn how to love themselves, reach their academic goals, and become great future leaders in a world dominated by men.

Favorite part of EGNC: Seeing all the beautiful young ladies come together during Girl's Night Out is my favorite part because they are all so happy and excited to be there doing whatever activities we plan for them.
